"Our goal is to help children understand there is a path, no matter how difficult it may seem.

To provide the path to something they may know nothing about. We want to work with other organizations and people that truly care about our many at-risk children. We are a baseball business, and we utilize that, but PG Cares is about helping and inspiring children, girls and boys, to realize there is hope for a bright future. Those results will be our greatest achievement."
