

## 2026 PG PREP LEAGUE ROSTER RULES

- ❖ Teams are rostered with players, who by (Permanente Address) are zoned for the same High School.
  
- ❖ Players class of 2030-2032 only. League will go by Grades only for players, not ages.
  
- ❖ A Nonresident Player must be a player from a school zone not represented in the league.
  
- ❖ Teams are allowed to have non-resident players and can only be used to fill a roster because not enough players have tried out. Essentially, You cannot cut a resident player to keep a nonresident player.
  
- ❖ Players with Documentation of acceptance (example Magnet Programs) to a High School, County Public School Employees, a team's Head Coach, or a player who was cut from another team may play as a Nonresident Player.
  
- ❖ If a player plays as a nonresident player because their school did not have a team in the league, they must stay with that team for as long as their school does not have a team. All players must remain on the first team they play with, unless a player moves out of the school zone. If a player is cut from a team and picked up by another team, that player will need to try out for their zoned team the subsequent season.
  
- ❖ Home School students, On-line students, and Private School (schools that are not in the League) students must play for the team in their School Zone. If there is not a team in their School Zone, they may play as a nonresident player.
