

Our mission is to inspire, support and promote a pathway to success for underserved and poverty-stricken children within America's most at-risk communities by using sports and other real-life examples to educate, provide guidance and mentorship!

“Our goal is to help children understand there is a path, no matter how difficult it may seem. To provide the path to something they may know nothing about. We want to work with other organizations and people that truly care about our many at-risk children. We are a baseball business, and we utilize that, but PG Cares is about helping and inspiring children, girls and boys, to realize there is hope for a bright future. Those results will be our greatest achievement.”
