Nick Bonollo, Next Era Baseball 11u

Here is a young man that showed he could just about do it all on offense. Picking up 2 hits and 3 walks in five plate appearances, Bonollo got on base every time he walked up to the plate. While on the bases, he proved he could run to by adding a stolen base to his stat line. Discipline, hitting, and speed make up for one tough out at the plate, and Bonollo showed he could have them all today.

Carlos Celta, CFL Wildcats

Celta came to hit today! In 5 ABs he racked up 4 hits, including a HR! Celta picked up 3 RBIs and also scored 3 runs for his team. With an On-Base Percentage of .800 and a Slugging Percentage of 1.400, Carlos Celta showed opposing teams he is not be taken lightly.

Douglas Pena, East Orlando Tigers

Hit, after hit, after hit.... after hit, to be exact. Pena came out swinging today, spraying 4 hits, one of which being a double. An athletic hitter showing he could use his wheels too by adding a stolen base to his resume today.

Talan Bell, Central Florida Select

Might as well have named him wheels today. Bell gathered 4 stolen bases, leading the entire tournament for the day! Every time he reached base, he was on the move. He could also swing it, going 3-5 on the day.

Aiden Cilladi, Orlando Scorpions 11u Dore

1 run, 3 1/3 innings, 5 Ks for this young man today. He gave his team the best chance to win today by only allowing 1 earned run. He also took it upon himself to show his good stuff by striking out 5 batters today.

Kendall Hoffman, TBSA Patriots 11u

Talk about control. Striking out 6 batters, not allowing a hit and only giving up 1 walk over 3 innings. This is the type of pitcher people pay to watch.
