Charlee Soto, CFL Wildcats

A big day at the plate for this stud who over 3 games collected 6 hits, 2 of which were doubles. He also helped his team advance to the 11u Gold Championship game by pitching 6 innings, striking out 6 and giving up no runs. This player did it all, including winning a championship ring!

Ethan Salas, CFL Wildcats

Like his teammate, 6 hits in 3 games and a championship ring for this young man today. Did I mention he only needed 7 ABs to collect those 6 hits? He went up to the plate wanting to get a hit every time and was just 1 AB short of being perfect today!

Ethan Jones, Krush Baseball

Pitching helps your team win games, and there is nothing better for a coach than having a guy up on the mound that you can trust. If a pitcher goes and throws you 6 scoreless innings, racks up 6 strikeouts and only gives up 1 hit, that really gains their trust, and that is exactly what this stud did today.

Jack Niemann, Next Era Baseball 11u

When you need a player to come in and shut things down for you, this seems to be the pitcher you are looking for. In just 3 innings Niemann recorded 6 strikeouts. That is an average of 2 per innings. Lights Out!

Brad Kantrowitz, Orlando Scorpions 11u Dore

Kantrowitz recorded 4 hits in 5 ABs and got a RBI for his team. He went out there and did everything he could to help his team make the championship game!

David Smalls, FCA Blueclaws 11u Grey

The 11u Silver Champions were lead by this young man. He got on base almost every time he walked up to the plate, either by recording a base hit or a walk. Did I mention he also scored the championship winning run?
