Zachary Bice, Next Era Baseball

Bice collected 4 hits today and lead his team to a championship. Throughout the day, he drove in a few runs and even showed discipline at the plate by showing he could take the walk if needed. What ever his team needed done at the plate, he made sure he was there to provide it.

Vance Sheahan, South Florida Hitmen

5 hits, some of those being extra base hits, a stolen base, a few strike outs on the mound and some scoreless innings pitched... and a ring. This stud did everything today. At the plate and on the bases, he was active and always on the move. On the mound was the complete opposite, composure at its finest, only allowing 1 run in 5 1/3 innings and just 2 hits.

Landon Moran, Team Orlando Red

If Team Orlando Red scored a run, this young man was probably the one who scored it today. Moran ended up scoring 7 runs for his team. A couple of walks, hits, and doubles, Moran showed he could be very athletic on offense.

Blayne Romero, Team Orlando Red

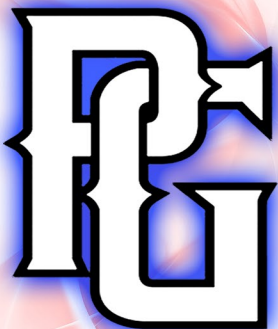

Double, Double, Triple! Extra base hits all day! A few runs driven in, and a ring to take home for all the team moms. 5 RBIs in one game and a few more through out the rest of the day, Romero showed teams why he hits where he does on this loaded team.

Kevin Spillane, Next Era Baseball

Back, back, back.....GRAND SLAM!!! That's right, Spillane got his team off to a good start today and they kept it going throughout. This stud was an RBI machine today. He also showed some speed by stealing a base.

Raphel Ramos, FTB Figueroa

Speed and power at the plate and a good arm on the mound. This young man drove a couple balls in the gap today, and racked up 4 hits including his HR. He did everything he could to help his team win including 6 innings pitched in the semifinal game.
