2018 Perfect Game Pitching Rules

- Below is the maximum number of pitches allowed per day in Perfect Game tournaments. Players will be required to rest said number of calendar days when reaching pitch limit. Official pitch counts are tracked by PG Field Scout unless communicated otherwise. Teams are encouraged to also track their pitch counts for both teams. Limits apply to specific tournament age division, not player age. (i.e. 15-year-old player in 17U tournament will go by 17U requirements.)

Age	Daily Pitch Max	Required Rest (Pitches)				
		0 Days	1 Day	2 Days	3 Days	4 Days
7-8	50	1-20	21-35	36-50	N/A	N/A
9-10	75	1-20	21-35	36-50	51-65	66+
11-12	85	1-20	21-35	36-50	51-65	66+
13-14	95	1-20	21-35	36-50	51-65	66+
15-16	95	1-30	31-45	46-60	61-75	76+
17-18	105	1-30	31-45	46-60	61-80	81+

- Once a pitcher reaches his daily maximum limit, he must be removed from the game. If a pitcher reaches the maximum limit of pitches in a game during a batter's plate appearance, the pitcher may continue in the game until such plate appearance or the inning ends (i.e. by a third out made by catching a runner stealing), whichever comes first. There is no team penalty for this, but the pitcher must adhere to prescribed pitch counts for the remainder of the event.
- If a pitcher is brought into a game sooner than the mandatory calendar days' rest, he becomes an ineligible player. According to NFHS Rule 3.1.1: *An ineligible player on defense shall be replaced immediately upon discovery by the umpire or either team.* Once discovered by teams, umpires, or PG Staff, the umpire & Official Scorekeeper will confirm eligibility with Tournament Headquarters. If deemed ineligible, team will have the opportunity to remove player from game. The replacement pitcher will be allowed adequate time to warm up. A pitcher is only allowed to pitch in one game per day unless pitcher throws 20 or fewer pitches in first game. In that case, pitcher may pitch in 2nd game of day. Pitch totals for both games combined will require prescribed daily limits and required rest.
- No pitcher is allowed to pitch 3 days in a row regardless of pitch counts.

Rule 1.00 Perfect Game Super25 Membership and Participation

Rule 2.00 Team and Individual Player Eligibility

Rule 3.00 Ejection Offenses

Rule 4.00 Playing field and Equipment

Rule 5.00 Official Playing Rules

The Official playing rules of Perfect Game Super25 will follow the National Federation Rules, with the exceptions and variations contained in the document

Rule 1.00 Perfect Game Super25 Participation

1.01 Players may play in an older age tournament

1.02A A player can play on only one National Championship team in the same age bracket; however, a player can play on an additional team in an older age bracket if he also qualified with that team and the events are not at the same time

Rule 2.00 Team and Individual Player Eligibility

2.01A A team may not be composed of more than the allotted eligible players.

- 9U-12U: 17 eligible players
- 13U-14U: 20 eligible players
- 15U-17U: 22 eligible players

2.02 Age Eligibility: A player's age on May 1st of the season will dictate his age group for that season. A player can always play up in age divisions.

2.03A tournament director may manage or coach in any tournament in which he also serves as the tournament director or host. There shall be a separate tournament director and protest committee selected to handle all rule problems within the tournament.

2.04 The team's manager is responsible for all aspects of the eligibility of the players on his team and that they meet the requirements as set forth in Rule 2.02.

2.05A A player who is in violation of the age eligibility shall be considered an illegal player.

2.06 If anytime during a tournament game, a player is discovered illegal due to an age violation or participating on more than one team in the same tournament, the team is subject to forfeit. The first team a player participates for is their official team. *This does not apply to Pitch Smart violations.

2.07 In each age division, all participating players in Perfect Game Super25 events shall have photocopies of their original birth certificates in the possession of their team manager. Electronic copies of ID documents are accepted. Failure to have a copy of a birth certificate upon demand will result in suspension for the remainder of the event until such document can be produced. Driver's License is permitted.

2.08 A team's roster must be comprised from its home area, region or bordering regions, and also 3 players from any region in the country. A California, Florida, or Texas team is from either the North or South region of its state.

2.08.1 Residency Requirements will be the sole discretion of Perfect Game. The state the player is a legal resident will determine his region eligibility; with exception of boarding schools. Each case will be handled on an individual basis by the PG Super25 National Office. The National Office will make the fairest ruling possible, and that ruling will be final. Perfect Game Contact: bbarth@perfectgame.org

2.09 Teams must use the same roster for the National Championship that they used to qualify with at the Regional or Qualifier tournament

2.09.1 Teams can replace players that cannot come to the National Championship due to extenuating circumstances (i.e injury, family conflicts, etc) **

2.09.2 Any team qualifying for the Super25 National Championships must have a minimum of 11 players. If a team qualifies with less than 11 players they will be allowed to add players until they reach 11 total players.**

2.09.3 A team qualifying in the fall will have the ability to change their roster. 60% of the fall roster must remain the same for the National Championship**

****2.10** Teams can add 3 players to their roster after qualifying for the National Championship. These players can be from any region, given they still only have 3 players from outside of the region/bordering regions on their roster, and given the roster still stays within the maximum number of players allowed per team. These additional players can be added after adjusting the roster for rules **2.09.1**, **2.09.2**, and **2.09.3**

2.11 A team may only play in regional tournaments from its home region or bordering regions. Teams from every region are eligible to play in all of the Super Qualifiers.

2.12 Florida State and Texas State Regionals are only open to teams from within that state.

2.13 Regional and Super Qualifier tournament event champions receive a berth to the current season's National Championship. Champions must confirm attendance at the National Championship immediately following the tournament. If a team is already registered for the BCS or other PG core event that is paired with the Super25 National Championship, they will be automatically transferred over from that event.

2.13.1 Perfect Game decides the Champion on incomplete Regional and/or Super Qualifier.

Rule 3.00 Ejection Rules

Ejection offenses include:

3.01 Physical attack on an umpire, tournament official, associate director, associate officer, and/or any player or fan prior, during, or immediately following a game played under the authority of Perfect Game.

3.02 Players, coaches, managers, or sponsors threatening an umpire, tournament official, associate director, or associate officer with physical harm.

3.03 Any player, coach, manager, sponsor, director or officer who engages in physical fighting.

3.04 Using unsportsmanlike conduct or abusive language, symbol tactics, or derogatory or unbecoming acts.

3.05 Destruction of property or abuse or failure to pay.

3.06 Receiving money directly or indirectly for playing on a team and/or based on athletic performance.

3.07 Competing under an assumed, false and/or altered name.

3.08 Tournament hosts have the authority to eject a player, fans or team anytime during a tournament of committing any of the above listed offenses.

3.09 A player or coach ejection carries removal from that game only.

3.10 A coach or manager who is ejected for the second time in a specific tournament is suspended for the rest of the event.

Rule 4.00 Playing Field and Equipment

4.01 The playing field should be laid out according to age specific dimensions. The field must have a protected player dugout. Super25 National Championships will be played at the following distances:

- 9U: 46x60
- 10U: 46x60; Regional Directors can choose to play their events at 46x65
- 11U-12U: 50x70
- 13U: 60x90; Regional Directors can choose to play their events at 54x80
- 14U-17U: 60x90

4.02 Metal Bat Tournaments

- **USABat Standard** 9U-12U (Event Specific; check Bat Restrictions): The bat must be a baseball bat which meets the USA Baseball Bat standard (USABat) as adopted by Perfect Game, PGBA and PG Super25. It shall be a smooth, rounded stick, and made of wood or of material and color tested and proved acceptable to the USA Baseball Bat standard (USABat). Beginning with the 2018 season, non-wood and laminated bats shall bear the USA Baseball logo signifying that the bat meets the USABat – USA Baseball's Youth Bat Performance Standard. All BPF – 1.15 bats will be prohibited beginning with the 2018 season. Additionally, starting in 2018, the bat diameter shall not exceed 2 5/8. It shall not be more than 34" inches in length; nor more than 2 5/8 inches in diameter, and if wood, not less than fifteen-sixteenths (15/16) inches in diameter (7/8 inch for bats less than 30") at its smallest part. Wood bats taped or fitted with a sleeve may not exceed eighteen (18) inches from the small end.

NOTE: Solid one-piece wood barrel bats do not require a USA Baseball logo. No BBCOR allowed.

OR

- **BPF 1.15** 9U-12U (Event Specific; check Bat Restrictions): Metal bat. All bats must have a branding, label, or stamp proving BPF 1.15. **NO WOOD BATS**
The following bats are banned from play until further notice:
 - (DeMarini) 2018 CF Zen CBZ 2 3/4" (31/-10 and 32/-10)
 - (Dirty South) Kamo BB KA 8 (30/22, 31/21, 32/22, 31/23, 32/24 only)
- 13U: Metal bat. All bats must have a branding, label, or stamp proving BPF 1.15 or BBCOR on it. There is length to weight ratio maximum of -5 (5 ounces). **NO WOOD BATS**
- 14U-18U: Metal bat. All teams must use BBCOR -3 bats that are legal according to the National High School Federation. Wood bats are also allowed.

4.03 Blank number is considered number 0. Only customary baseball shoes shall be worn by any and all players. Regular metal cleats are NOT allowed in age divisions 9U-11U.

Rule 5.00 Official Playing Rules

5.01 The Official Playing Rules of Perfect Game Super25 will follow National Federation Rules with the exceptions being contained in this document.

5.02 TEAMS DEPARTING BEFORE THE END OF THE TOURNAMENT WILL NOT BE ALLOWED TO COMPETE IN THE PLAYOFFS!!!! If this happens we will take the second place team out of the pool or the next best team. The Tournament Director will rule in the fairest possible way.

5.03 Pool Play: All Pool Play games will be played with the time limits listed below. The official time will be kept by the PG Field Director. To eliminate time limit disputes, coaches should check with the PG Field Director throughout the game. These rules also apply to Consolation Games

9-12u: The time limit is 1 hour and 45 minutes. Any game tied after 6 innings or the time limit will result in a tie

13-17u: The time limit is 2 hours. Any game tied after 7 innings or the time limit will result in a tie

Time limits are not drop dead; no new inning can start after the time limit has been reached

A tie is equal to a ½ win and ½ loss for each team.

For each team's pool games, the home team will be predetermined by Perfect Game.

5.04 Playoffs: No two teams from the same organization will match-up in the first round of the playoffs. After Round 1, no switches will be made. Time limit rules from **5.03** will be used in all games except the Semi-final and Championship games. The home team in Playoffs will be the higher seed except when there is no seeding. When there is no seeding, the home team will be determined by a coin flip. This is the case even if the schedule says otherwise.

Tie Breaker:

9-12u: If teams are tied after 6 innings or the 1 hours 45 min. time limit

13-17u: If teams are tied after 7 innings or the 2 hour time limit

The last three hitters from the previous inning will load the bases.

The base runners will be placed as follows:

- Last hitter from previous inning @ 1st Base
- Hitter before him in the lineup @ 2nd Base
- Hitter before that in the lineup @ 3rd Base
- Normal substitution rules apply to these runners.
- The hitting team will start the inning with one out.
- Play continues until one team is ahead at the end of an inning.

Semi-Finals and Championship: In the Semi-finals and Championship game there is no tie-breaker or time limit. This rule is subject to change. The home team will continue to be the higher seed except when there is no seeding. When there is no seeding, the home team will be determined by a coin flip. This is the case even if the schedule says otherwise.

5.05 Forfeits: All games must be started with at least 9 players. A game can be finished with 8 players. Once a team establishes it has 8 players it must finish the game with 8 players. The player leaving the original lineup can not return and his spot in the hitting lineup will be recorded as an out. Any intentional forfeit will result in the forfeiting team being eliminated from the tournament. The tournament committee will rule on all forfeits. No team should benefit from the result of a forfeit in an unfair manner. This rule could result in a dispute and the tournament committee reserves the right to look at and rule in the fairest possible way. The committee's decision will be final! A forfeit score will be the average runs scored for the winning team to 0 for the losing team. **The tournament committee will decide when a forfeit is declared.**

5.06 Taking Infield: No infield will be allowed during the tournaments.

5.07 Mercy Rules: 9U-12U: 15 after 2, 12 after 3, 8 after 4. **13U-17U:** 15 after 3, 12 after 4, 8 after 5.

5.08 Trips to the mound: The pitcher must be replaced on the 2nd trip to the mound in any inning.

5.09 Hitting lineup: 9U-12U: Can consist of 9, 10, or 11 players; or teams are permitted to bat their entire line up. If a team chooses to bat their entire lineup and a player is forced to leave the game, his spot in the hitting lineup will be recorded as an out. **13U-17U:** Can consist of 9, 10, or 11 players. The lineup must stay with the same number of batters for the entire game. The 10th and 11th hitter if used will be designated as an EH and XH on the lineup card. The EH and XH is the same as any position on the field as far as substitutions are concerned. The starting pitcher is allowed to DH for himself and bat in any slot in the order.

All games must be started with at least 9 players. A game can be finished with 8 players. Once a team establishes it has 8 players it must finish the game with 8 players. The player who left the original lineup cannot return and his spot in the hitting lineup will be recorded as an out.

5.10 In case of rain: All rain out games may not be made up depending on time constraints. In case of scheduling changes it is the team's responsibility, not the tournament committee, to make sure they are aware of the new schedule or any scheduling changes. This information will be posted on the tournament web site when it becomes available. Note: No special requests will be honored if rescheduling becomes necessary. All coaches should make sure the tournament committee has current contact info. If games are cancelled, pool winners and championship qualification will be determined by the tie breaking procedures (listed below).

5.11 Stop in Play: If a game is stopped, the game must start within 1 hour of the stop in play. If games are not resumed, they will become suspended or called official. For 7 inning games, games called by umpires that can not be resumed within 1 hour will be considered an official game, if 5 innings have been completed, or 4 1/2 innings if the home team is ahead. After 5 complete innings, a tie score will be recorded a tie in pool play. For 6 inning games, games called by umpires that can not be resumed within 1 hour will be considered an official game, if 4 innings have been completed, or 3 1/2 innings if the home team is ahead. After 4 complete innings, a tie score will be recorded a tie in pool play. The tournament director can extend the 1 hour if there are extenuating circumstances, i.e. lightning detector, working on fields, etc. A suspended game will resume where the game was halted. In the event play is stopped for any reason before or during the Championship round, first place, second place, third place, etc. will be awarded based on PG Seeding and Tie Breaker Rules.

5.12 Protests: Protests will be heard and ruled on by the tournament committee. The team protesting must make cash payment of \$100 at the time of the protest. If the protest is ruled in the protesting team's favor the \$100 will be refunded. The ruling made by the committee will be final. Protests must be filed and ruled on before the next pitch if during game, or before umpires leave field if after a game.

5.13 Roster and Roster changes: If a player is listed on more than one roster, the player listed will make a decision as to which roster he is legally on. This decision is up to the individual player. No player can appear in a tournament game for more than one team.

5.14 Scoring: We recommend that all teams (home and visitor) keep a scorebook. The official scorebook of the game will be kept by tournament staff. In case of an emergency where staff can't keep book, the home team will be the official scorer. To eliminate scoring disputes, team scorekeepers should check with the official PG Staff scorer during and after the game.

5.15 Sportsmanship: In the interest of maintaining a quality event, the tournament committee reserves the right to eject any person from the site for unruly or unsportsmanlike behavior. Any coach or player who is ejected for the second time during the tournament will be eliminated from participating for the remainder of the tournament.

5.16 Pitching: The MLB balk rule will be enforced. When a balk is called it is NOT a dead ball. The 3B to 1B pickoff move is legal. Also, in the windup position, a pitcher is permitted to have his "free" foot on the rubber, in front of the rubber, behind the rubber, or off to the side of the rubber. Please refer to Pitch Smart guidelines for pitching limitations.

1. **Enforced Pitching Limitations:** All PGBA Events will follow PitchSmart Guidelines. See specific tournament Pitching Rules for additional information.

5.18 Not covered in the Rules: In the event any item is not covered in the rules, the tournament committee will make the fairest possible ruling and that ruling will be final!

5.19 Seeding and Tie Breaker Rules.

1. Pool play overall record (winning percentage)
2. If two teams are tied -Head to Head winner
3. If three teams are tied – If one team has defeated both other teams, that team advances. If not go to #4.
